Destinations

Nassau, Bahamas

For a city now known for its warming sun and balmy breezes, Nassau has a tumultuous past. First settled by the English, the area was contested by England, France and Spain. For many years, Nassau was a home base for notorious pirates, and it was burned to the ground by the Spanish three different times. Since 1740, however, visitors from all over the world in search of both relaxation and adventure have made Nassau their favorite destination.

CocoCaySM, Bahamas

Located in the middle of the Caribbean's bright blue water lies the secluded island of CocoCaySM. With its white-sand beaches and spectacular surroundings, CocoCaySM is a wonderland of adventure. Reserved exclusively for Royal Caribbean guests, this tropical paradise has recently been updated with new aquatic facilities, nature trails and a ton of great places to just sit back, relax and enjoy a tropical drink.
